Course Description
This is a seminar series designed to expose graduate students to recent research activities and state-of-the-art practice in the fields of structural and geotechnical engineering, civil engineering materials, and computational & analytical mechanics.

Prerequisites
none

Course Schedule
Check the CCLE regularly for new posted material

Instructor
Professor Ertugrul Taciroglu
5731K Boelter Hall, Email: etacir@ucla.edu

Course Website
https://ccle.ucla.edu/course/view/19S-CEE200-1

Grading Basis
Attend at least three seminars during the quarter to PASS the course.

Class Logistics
Students will complete the online attendance sheets that will be made available at CCLE prior to every seminar. It will be the students’ responsibility to mark their attendance for every seminar they have attended.

Week | Date | Location | Host | Speaker | Organization
--- | --- | --- | --- | --- | ---
1 | 4/03/19 | no seminar | | | |
2 | 4/10/19 | Botany 325 | Taciroglu | Behzad Rafezy | SidePlate Systems Inc.
3 | 4/17/19 | Botany 325 | Burton | Garrett Hagen | Degenkolb Engineers
4 | 4/24/19 | Mong Rm, Eng VI | Taciroglu | Mani Golparvar Fard | U. Illinois
5 | 5/1/19 | Mong Rm, Eng VI | Taciroglu/Stewart | Mikhail Chester | Arizona State U.
6 | 5/8/19 | Mong Rm, Eng VI | Taciroglu/Stewart | Timothy Braithwaite | Lyft
7 | 5/15/19 | Botany 325 | Stewart | David Gutierrez | GEI Consultants
8 | 5/22/19 | Mong Rm, Eng VI | Taciroglu | Megan Ryerson | U. Penn
9 | 5/29/19 | Mong Rm, Eng VI | Taciroglu/Stewart | Tierra Bills | U. Michigan
10 | 6/5/19 | Botany 325 | Moore/Taciroglu | Maikol Del Carpio + 2 | KPFF

Important Note: Seminar schedules may change. It is the students’ responsibility to monitor the class webpage at CCLE for schedule changes. Details for each week’s seminar will be posted (title, abstract, speaker information) throughout the quarter as they become available.
