Innovation and Development Program
"Spring 2014 Call for Proposals"

The CCLE Innovation and Development Program (IDP) fosters innovations and enhancements to instruction at UCLA involving the use of educational technology.

IDP grant funds, awarded every fall and spring, support a variety of needs including:
- Developing new ways to use and integrate technology into instruction;
- Enhancements to the CCLE learning management system;
- Funds to hire programmers or other staff including the buy-out of existing staff;
- Application creation and testing.

Proposals that involve the use of or improvement of CCLE's online learning management system are especially encouraged.

Proposals over $3500 should be submitted no later than April 24, 2014
Proposals up to $3500 will be considered on a rolling basis
